### Greetings from the GM ~

I have a few items to share this month:

- We have the Association approved Lease and Rules & Regulations in the office for pick up.
- We have a new vehicle stickers for all residents living on the grounds. If you have a vehicle that does not currently have a sticker identifying your vehicle while on the grounds please come to the office as soon as possible to have one assigned to your vehicle. It is important for our staff to be able to identify each vehicle so we can get ahold of you if necessary (removal, utility work ect.)
- Signs... please DO NOT POST political signs!! It is prohibited on the Camp Ground.
- The Cafeteria will be closing on Sunday, September 6<sup>th</sup>. Chef Kristi and her family have been a blessing to LCG this season! They love the Camp Ground and we love them! They will be missed when they travel south during the winter, but we look forward to their return in the spring!
- The RV Park will be open for winter RVer's. We are keeping sites 1-14 open. We have had several requests for over winter sites, so we are going to give it a try. For the 20/21 season we will be protecting our water source and the RV's will sign an agreement to protect from the spicket to their RV's
- Remember if you have a complaint it needs to be in writing!!

Thank you, and have a wonderful September!!

Tina
